Summary

I'm someone who is passionate about Gaming, Cyber Security, and Artificial Intelligence. As an avid gamer, I enjoy analyzing the mechanics behind video games and have developed coding skills to gain a deeper understanding of game development.

I'm also fascinated by Artificial Intelligence and its potential to revolutionize various fields. With a background in Computer Science, I'm seeking new opportunities to learn and grow in these areas. Let's connect and discuss new ideas!

Education

New LJ Institute of Engineering and Technology

Bachelor of Engineering - BE, Computer Science

2020 - Present

Xamk - South-Eastern Finland University of Applied Sciences

Game Development

Apr 2023 - Apr 2024

Licenses & Certifications

Python Certification - HackerRank

386f40b6e015

Artificial Intelligence and Machine Learning - Vodafone Idea Foundation

Skills

Artificial Intelligence (AI) • Machine Learning • Game Development • Unreal Engine • Blender • C++ • C (Programming Language) • Python (Programming Language)
